

Schedule & Makeup Classes

We will maintain an average of 4 classes per month over each session
One makeup class for 2 missed classes, unless prior notice is given

Schedule

We have 3 sessions during the year:

- Spring: January-April
- Summer: May-August
- Fall: September-December

Each session guarantees an average of 4 classes/month for a total of at least 16 classes/session. Some months may have 3 classes, while others may have 5 classes. We try to follow the Orange County School Schedule as closely as possible.

Holidays will be given in advance of the session and factored into the schedule. Predetermined holidays will not have makeup classes. The calendar will be available online at Junglenastics.com.

If class is canceled unexpectedly and/or in addition to the predetermined holiday schedule, we will offer makeup classes to all affected students. If your child is not registered the full session and a holiday drops their classes to less than 4/month, we will offer a makeup class.

Makeup classes

Once a student has missed TWO classes unexpectedly for the session, they may makeup ONE class. If you know your child will be absent, please email us at junglenastics@gmail.com. If prior notice is given, we will try to schedule a makeup class.
